

# *I Shudder to Think*

## Performance as Philosophy

**Margaret Cameron**

Photo by Lisa Businovski

You are warmly invited to celebrate the life and work of artist Margaret Cameron with the book launch of *I Shudder to Think: performance as philosophy*, released by Ladyfinger Press.

“...a significant addition to Australian performance art and thought, and an artwork in itself”  
*Alison Croggon*

“Listen ... a threshold shudders in the wind of all that is known ... .  
Shivers ... it’s a window where you only have the fun you make yourself,  
where perceptual realities are not imagined ... but made to live.”
